WORK EXPERIENCE

Encora Innovation Labs

SOFTWARE ENGINEER   June2024 - Present

- Collaborated with cross-functional teams to troubleshoot and resolve technical issues, resulting in improved customer satisfaction.
- Developed and maintained web applications using asp.net core, c#, and SQL server, ensuring seamless integration and optimal performance.
- Assisted in designing and implementing restful APIs for data exchange between client and server-side applications.
- Worked with entity framework for database design and data modeling, improving efficiency in data handling and access
- Debugged and optimized existing code, reducing application load time by 20%.
- Participated in agile/scrum development processes, delivering projects on time while meeting business requirements.

EDUCATION

Sunbeam Institute of technology (C-DAC)

PG-DIPLOMA   September 2023 - March 2024

Indus university Ahemdabad

Bachelor of technology - 9.29   June 2019 - June2022

PROJECTS

FinShark – Financial Data for Stocks

- Developed a full-stack web application, FinShark, utilizing .NET, Entity Framework, REST API, MySQL, and React, providing real-time financial data for stocks.
- Integrated third-party APIs to fetch up-to-date stock information, ensuring data accuracy and reliability, and designed a database schema using MySQL to optimize data retrieval and maintain data integrity.
- Implemented token-based authentication for secure access to stock data, focusing on performance and scalability, and reduced API response time by 30%.
- Ensured code quality through unit testing, debugging, and code reviews, maintaining high standards for maintainability and reliability.

SKILLS

Languages : C#, ASP.NET, Java, HTML5, CSS3, JavaScript, SQL
Frameworks :Spring Boot, Hibernate, ASP.NET Core, Entity Framework
Databases : Microsoft SQL Server, MySQL
Web Technologies: RESTful APIs, JSON,
Tools & Tech: *Git, GitHub, Postman, Maven, VS Code, IntelliJ*
Problem Solving : Data Structures and Algorithms
Management Skills : Communication skills, People and Task management
